

The Essence of the Word of God with the Angels

The Essence of the Word of God with the Angels. Why there is a need to stay on the Word of God. The Bible says in the Scriptures of **Hebrew chapter 1 verse 7 and 14**, *And of the angels, he said, who maketh his angel spirits, as ministers, a flame of fire and verse 14, Scripture says, Are they not all ministering spirits sent forth to minister for them which are heirs of salvation.* So, one of the great things about the Christian faith is that God made provision for angels to minister to us the blessings of God. To be conveyor to us of the things of God. You remember when Jesus Christ was in fasting and prayer and angels ministered to him? You remember in the Scriptures how many times angels are there to reach out to people at various points in their life. One of the work of the angels of God, they are the messengers of God, to convey to us spiritual things of God. They enable physical things to come to reality. And they only respond to the Word of God. Angels don't respond to noise making. They don't respond to how much you shout, how much you dance. If there's no word, they do nothing. The Bible calls them ministering spirits to minister unto us who are heirs of salvation of the grace of God in *Christ Jesus*.

Now how do I know that? In the book of Psalm 103 verse 20, it reads, Bless the Lord, ye his angels, that serve in strength, that do his commandments, hearkening unto the voice of his Word. Angels that are there to respond and bring about the

reality of God's promised Word to us as ministers, only respond to the Word of God. Not to noise making. Not to the shouting we shout. It's not shout to shout, to make noise. It's not the matter. No word, no response. It's not the amount of crying you and I have to cry. God is always looking for his Word in obedience to act upon it for our good. When you begin to respond and live your life by the Word of God, you give God opportunity to function for you. Each time God sees the word, he responds. God sees the word, he answers and angels are the conveniences that God used to bring about to us the blessedness of God. To minister to us that which God promised us to come to reality. But they only function by the Word.

They only function through the Word. Outside the Word, angels are not functioning. So if you and I want to experience the move and the power and the grace of God in reaching out to our needs in our personal life, the best answer to that is stay in the Word.

Angels answer the Word of God. God bless you and I. In Jesus name. Amen.

SUMMARY

Angels are ministering spirits assigned by God to serve believers, but they only respond to the **Word of God**. They do not move because of shouting, emotions, crying, or noise only the Word activates their ministry. Therefore, believers must stay rooted in the Word so that God and His angels can bring His promises into

manifestation. Wherever God sees His Word, He responds, and angels carry out what the Word declares.
